

Curtiss-Wright Appoints Michael J. Denton Vice President

LYNDHURST, N.J., Nov. 25 /PRNewswire-FirstCall/ -- Curtiss-Wright Corporation (NYSE: CW; CW.B) announced today that Michael J. Denton, 47, has been promoted to Vice President. Mr. Denton will continue to serve as the General Counsel and Corporate Secretary of the Company, positions he has occupied since he joined Curtiss-Wright in August 2001.

Prior to joining Curtiss-Wright, Mr. Denton served in a number of positions with the Law Department of Honeywell International Inc. He also worked in the law departments of the General Electric Company and Westinghouse Electric Corporation, in private practice in Washington, DC and with the U. S. Department of Justice.

Mr. Denton earned his Bachelor's degree from Dartmouth College and his Juris Doctor degree from the University of Michigan. Mike and his wife, Mary Ann, reside in Morristown, New Jersey with their three children.

Martin Benante, Chairman and CEO of Curtiss-Wright stated, "The decision of our Board of Directors to elect Mike to the position of Vice President is a reflection of the substantial contributions he has made to Curtiss-Wright. We are pleased to have Mike as a key member of our management team."

Curtiss-Wright Corporation is a diversified company headquartered in Lyndhurst, New Jersey. The Company designs, manufactures and overhauls products for motion control and flow control applications and additionally is a provider of metal treatment services.
